Two anonymously unlike
One is celestial, one deathlike
Yearn for the intense euphony
Love or rage!
The duo gaze at the book and its page,
Book that trade-off disharmony

Ah! Death
How your tantrum burns two loving good hearts

Ah! Life
How your dignity jostles them
To be the fallen stars
The fallen lightning from heaven

But the end you see!!
Resolution, Restoration, Redemption, Repentance,
Tie up the torn harmony,
The lost equality.
